

Vicor wins Semiconductor Company Award at 2020 GSA Awards

December 7, 2020

Andover, MA —[Vicor Corporation](#) (NASDAQ: VICR) won the 2020 Global Semiconductor Alliance (GSA) Award for Analyst Favorite Semiconductor Company. Vicor high-efficiency, high-density power system solutions enable advances in artificial intelligence and other demanding applications. Vicor was among five companies nominated in this category including AMD, NVIDIA, Inphi Corporation and SiTime Corporation.

Semiconductor financial analysts from two top-tier firms selected their favorite semiconductor company for this award. The analysts based their decision on historical as well as projected data such as stock price, earnings per share, revenue forecasts and product performance.

The [2020 GSA Awards](#) recognize leading semiconductor companies that have exhibited market growth through technological innovation and exceptional business management strategies.
