PROXY STATEMENT

**FOR THE 2008 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON THURSDAY, JUNE 26, 2008**

April 29, 2008

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Vicor Corporation (the "Corporation") from holders of the outstanding shares of capital stock of the Corporation for use at the 2008 Annual Meeting of Stockholders (the "Annual Meeting") of the Corporation to be held on Thursday, June 26, 2008 at 5:00 p.m., local time, at the Andover Country Club, 60 Canterbury Street, Andover, Massachusetts, and at any adjournments or postponements thereof. At the Annual Meeting, stockholders will be asked to consider and vote on the proposals set forth in this Proxy Statement.

This Proxy Statement and the accompanying Notice of Annual Meeting and Proxy Card are first being sent to stockholders on or about May 16, 2008. The Board of Directors has fixed the close of business on April 30, 2008 as the record date for the determination of stockholders entitled to receive notice of and to vote at the Annual Meeting (the "Record Date"). Only stockholders of record at the close of business on the Record Date will be entitled to receive notice of and to vote at the Annual Meeting. As of March 31, 2008, there were outstanding and entitled to vote 29,851,286 shares of Common Stock and 11,785,052 shares of Class B Common Stock of the Corporation. Each share of Common Stock entitles the holder thereof to one vote per share and each share of Class B Common Stock entitles the holder thereof to ten votes per share. Shares of Common Stock and Class B Common Stock will vote together as a single class on the proposals set forth in this Proxy Statement.

Stockholders of the Corporation are requested to complete, date, sign and return the accompanying Proxy Card in the enclosed postage-prepaid envelope. Shares represented by a properly executed Proxy Card received prior to the vote at the Annual Meeting and not revoked will be voted at the Annual Meeting as directed on the Proxy Card. If a properly executed Proxy Card is submitted and no instructions are given, the Proxy will be voted FOR the fixing of the number of Directors at seven and the election of the seven nominees for Directors of the Corporation named in this Proxy Statement. It is not anticipated that any matters other than those set forth in this Proxy Statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted in accordance with the discretion of the proxy holders.

A stockholder of record may revoke a proxy at any time before it has been exercised by (1) filing a written revocation with the Secretary of the Corporation at the address of the Corporation set forth above; (2) filing a duly executed proxy bearing a later date; or (3) appearing in person, notifying the

Secretary and voting by ballot at the Annual Meeting. Any stockholder of record as of the Record Date attending the Annual Meeting may vote in person whether or not a proxy has been previously given, but the presence (without further action) of a stockholder at the Annual Meeting will not constitute revocation of a previously given proxy. The presence, in person or by proxy, of holders of a majority in interest of all stock issued, outstanding and entitled to vote at the Annual Meeting shall constitute a quorum for the transaction of business at the Annual Meeting. Shares that reflect abstentions or "broker non-votes" (i.e., shares held by brokers or other nominees that are represented at the Annual Meeting but as to which such brokers or nominees have not received instructions from the beneficial owners or persons entitled to vote such shares and, with respect to one or more but not all matters, such brokers or nominees do not have discretionary voting power to vote such shares) will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

The cost of solicitation of proxies in the form enclosed herewith will be borne by the Corporation. In addition to the solicitation of proxies by mail, the Directors, officers and employees of the Corporation may also solicit proxies personally or by telephone, e-mail or other form of electronic communication without special compensation for such activities. The Corporation will also request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send proxy materials to and obtain proxies from such beneficial owners. The Corporation will reimburse such holders for their reasonable expenses in connection therewith.

The Corporation's 2007 Annual Report (the "Annual Report"), including financial statements for the fiscal year ended December 31, 2007, is being mailed to stockholders concurrently with this Proxy Statement. The Annual Report, however, is not part of the proxy solicitation materials. The Corporation will deliver promptly, upon written or oral request, a separate copy of the Annual Report or proxy statement, as applicable, to a security holder at a shared address to which a single copy of the document was delivered.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors of the Corporation has recommended that the number of Directors be fixed at seven and has nominated the seven individuals named below for election as Directors. Each of the nominees is presently serving as a Director of the Corporation. If elected, the nominees will serve until the 2009 Annual Meeting of Stockholders and until their respective successors are duly elected and qualified or until their earlier death, resignation or removal. Properly executed proxies will be voted for the nominees named below unless otherwise specified in the proxy. The Board of Directors anticipates each of the nominees, if elected, will serve as a Director. However, if any person nominated by the Board of Directors is unable to serve or for good cause will not serve, proxies solicited hereby will be voted for the election of another person designated by the Board of Directors if one is nominated. A plurality of the votes cast by the holders of Common Stock and Class B Common Stock, voting together as a single class, for a nominee for Director shall elect such nominee. Accordingly, abstentions, broker non-votes and votes withheld from any nominee will have no effect on this proposal. Holders of voting

rights sufficient to elect each of the nominees named below have indicated an intention to vote in favor of such nominees.

The Board of Directors unanimously recommends a vote FOR fixing the number of Directors at seven and the election of all of the nominees.

CORPORATE GOVERNANCE

The Board of Directors and Its Committees

The Corporation's Board of Directors held nine meetings during the fiscal year ended December 31, 2007. Each of the Directors attended 75% or more of the total number of meetings of the Board of Directors and meetings of the committees of the Board of Directors on which he served during 2007. Directors are expected to attend annual meetings of stockholders of the Corporation in person unless doing so is impracticable due to unavoidable conflicts. All of the directors attended the 2007 Annual Meeting of Stockholders. The Board of Directors has established an Audit Committee and an Executive Compensation Committee. The Board does not have a standing nominating committee because it believes the full Board is in the best position to evaluate potential director nominees and, therefore, it is

not necessary for the Corporation to have a nominating committee. The full Board of Directors performs the function of such a committee.

The Corporation is a “controlled company” in accordance with the corporate governance rules contained in the Marketplace Rules of the National Association of Securities Dealers, Inc. (the “NASDAQ Rules”) because Dr. Vinciarelli, President, Chairman of the Board and Chief Executive Officer, holds more than 50% of the voting power of the outstanding stock of the Corporation. As a result, the Corporation is not required to have (1) a majority of independent directors on its Board of Directors, (2) the compensation of its executive officers determined by independent directors, or (3) its director nominees selected or recommended by independent directors. The Board of Directors has determined that two of its seven Directors, Messrs. Eichten and Riddiford, are independent directors for purposes of the NASDAQ Rules. The Corporation is conducting a search for an additional independent director.

Audit Committee — The Board of Directors has established an Audit Committee that complies with the NASDAQ Rules. The Audit Committee is currently composed of Messrs. Anderson, Eichten and Riddiford. Information regarding the functions performed by the Audit Committee and the number of meetings held during the fiscal year is set forth in the section of this Proxy Statement entitled “Report of the Audit Committee.” The Audit Committee is governed by a written charter approved by the Board of Directors on February 3, 2007. The Board of Directors has determined that two of the three members of the Audit Committee, Messrs. Eichten and Riddiford, are “independent” under the applicable NASDAQ Rules and rules of the SEC. Mr. Anderson is not “independent” because of his affiliation with Great Wall Semiconductor Corporation (“GWS”) (see “Certain Relationships and Related Transactions” section below). Mr. Anderson had served on the Audit Committee from March 2001 to August 2003, during which time he had been deemed an independent director. When the Corporation invested in GWS, the Corporation determined that Mr. Anderson no longer qualified as an independent director and, as such, he stepped down from the Audit Committee. However, with Mr. Ansour’s departure from the Board of Directors and the Audit Committee on June 20, 2007, the Board of Directors appointed Mr. Anderson to the Audit Committee because the Board believed at the time that it was in the best interests of the Corporation to have Mr. Anderson serve on the Audit Committee, given his prior tenure on the Audit Committee and his familiarity with the Corporation’s financial condition, its accounting and financial reporting policies, and its system of internal accounting controls. Mr. Anderson is serving on the Audit Committee until such time as the Board of Directors is able to appoint an independent director to replace him on the Audit Committee. The Corporation is conducting a search for such an additional independent director. The Audit Committee Charter is posted on the Corporation’s website, www.vicorpower.com, under the heading “Investor Relations” and the subheading “Corporate Governance”.

The Board of Directors has determined none of the present members of the Audit Committee meet the definition of “audit committee financial expert” as defined by Item 407(d) of Regulation S-K promulgated by the SEC. The Corporation believes the present members of its Audit Committee have substantial experience in reviewing financial statements and overseeing financial reporting. In addition, one present member of the Corporation’s Audit Committee, Mr. Riddiford, has past employment experience that results in his financial sophistication, as defined by the NASDAQ Rules.

Executive Compensation Committee — The Executive Compensation Committee is currently composed of Messrs. Eichten and Riddiford. The Executive Compensation Committee is responsible for establishing salaries, bonuses and other compensation for the officers of the Corporation, approving all grants of stock options by the Corporation's subsidiaries and administering the Corporation's stock option and bonus plans pursuant to authority delegated to it by the Board of Directors. The Executive Compensation Committee held two formal meetings during 2007 and acted by written consent in lieu of meetings, including for the purpose of approving all stock option awards during 2007.

Director Nomination Process

The full Board of Directors performs the director nomination function for the Corporation. The Board does not have a charter governing the director nomination process, although it has established director nomination procedures setting forth the current process for identifying and evaluating director nominees.

Board Membership Criteria — The Board of Directors has established the following criteria for Board membership. At a minimum, the Board must be satisfied each nominee has high personal and professional integrity, has demonstrated exceptional ability and judgment, and is expected, in the judgment of the Board, to be highly effective, in conjunction with the other nominees to the Board, in collectively serving the interests of the Corporation and its stockholders. In addition to the minimum qualifications for each nominee set forth above, the Board will select persons for nomination who have industry or other relevant experience and to help ensure its Audit Committee will be comprised entirely of independent directors.

Identifying and Evaluating Nominees — The Board may solicit recommendations from any or all of the following sources: non-management directors, the Chief Executive Officer, other executive officers, third-party search firms, or any other source it deems appropriate. The Board will review and evaluate the qualifications of any such proposed director candidate, and conduct inquiries it deems appropriate. The Board will evaluate all such proposed director candidates in the same manner. In identifying and evaluating proposed director candidates, the Board may consider, in addition to the minimum qualifications and other criteria for Board membership approved by the Board from time to time, all facts and circumstances that it deems appropriate or advisable, including, among other things, whether it is appropriate to expand the size of the Board, the skills of the proposed director candidate, his or her depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board. Based on these considerations, the Board may nominate a director candidate it believes will, together with the existing Board members and other nominees, best serve the interests of the Corporation and its stockholders.

Securityholder Recommendations — The Board's current policy is to review and consider, in accordance with the procedures described above, any director candidates recommended by stockholders of the Corporation entitled to vote in the election of directors. All stockholder recommendations for director candidates must be submitted to the Secretary of the Corporation at Vicor Corporation, 25 Frontage Road, Andover, MA 01810, who will forward all recommendations to the Board.

All stockholder recommendations for director candidates must include the following information:

- the name and address of record of the stockholder;
- a representation that the stockholder is a record holder of shares of stock of the Corporation entitled to vote in the election of directors, or if the stockholder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) under the Securities Exchange Act of 1934;
- the name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding 5 full fiscal years of the proposed director candidate;
- a description of the qualifications and background of the proposed director candidate that addresses the minimum qualifications and other criteria for Board membership approved by the Board from time to time;
- a description of all arrangements or understandings between the stockholder and the proposed director candidate;
- the consent of the proposed director candidate (1) to be named in the proxy statement relating to the Corporation's Annual Meeting of Stockholders and (2) to serve as a director if elected at such annual meeting; and
- any other information regarding the proposed director candidate required to be included in a proxy statement filed pursuant to the rules of the SEC.

Communications with the Board

If you wish to communicate with any Director of the Corporation or the Board of Directors as a group, you may do so by writing to them at [Name(s) of Director(s)/Board of Directors of Vicor Corporation], c/o Corporate Secretary, Vicor Corporation, 25 Frontage Road, Andover, MA 01810. All correspondence should be sent via certified U.S. mail, return receipt requested. All correspondence received by the Corporate Secretary will be forwarded by the Corporate Secretary promptly to the addressee(s).

Code of Ethics

PRINCIPAL AND MANAGEMENT STOCKHOLDERS

The following table sets forth the beneficial ownership of the Corporation's Common Stock and Class B Common Stock held by (1) each person or entity known to the Corporation to be the beneficial owner of more than five percent of the outstanding shares of either class of the Corporation's common stock, (2) each Director of the Corporation, (3) each of the executive officers of the Corporation named in the Summary Compensation Table, and (4) all Directors and executive officers as a group, based on representations of the Directors and executive officers of the Corporation as of February 29, 2008, a review of filings on Form 3, 4, 5 and on Schedule 13G under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Except as otherwise specified, the named beneficial owner has sole voting and investment power over the shares. The information in the table reflects shares outstanding of each class of common stock on February 29, 2008, and does not, except as otherwise indicated below, take into account conversions after such date of shares of Class B Common Stock into Common Stock. Subsequent conversions of Class B Common Stock into Common Stock will increase the voting control of persons who retain shares of Class B Common Stock. The percentages have been determined as of February 29, 2008 in accordance with Rule 13d-3 under the Exchange Act, and are based on a total of 41,636,338 shares of common stock that were outstanding on such date, of which 29,851,286 were shares of Common Stock entitled to one vote per share and 11,785,052 were shares of Class B Common Stock entitled to 10 votes per share. Each share of Class B Common Stock is convertible into one share of Common Stock at any time upon the election of the holder thereof.

COMPENSATION DISCUSSION AND ANALYSIS

Philosophy

The primary objective of our compensation program is to attract, motivate, and retain highly qualified and productive employees. The compensation program uses a combination of cash and equity based rewards geared to incent and reward superior performance. Salaries and cash bonuses encourage effective performance relative to current plans and objectives, while stock options are utilized to attract new talent, to retain key contributors, promote longer-term focus and to more closely align the interests of employees holding such options with those of our stockholders.

The compensation of our executives reflects their success as a team in attaining key performance indicators. In addition, we use each executive's individual performance (as described below) as the basis for determining their overall compensation.

Overview of Executive Compensation and Process

Elements of compensation for our executives include: salary, bonus, stock incentive awards, health, disability, life insurance, and perquisites.

The Chief Executive Officer ("CEO") makes compensation recommendations to the Executive Compensation Committee with respect to the executive officers, although the Executive Compensation Committee may exercise its discretion in modifying any recommended adjustments or awards. Such executive officers are not present at the time of these deliberations. The Executive Compensation Committee approves the annual salary of Dr. Vinciarelli, President, Chairman of the Board and Chief Executive Officer.

The amount of each element of executive compensation is determined by our CEO and approved by the Executive Compensation Committee. The following factors are considered in determining the amount of each executive's compensation:

- Performance against corporate and individual goals for the previous year;
- Difficulty of achieving goals;
- General management performance; and
- Their overall contribution and the value of their skills and capabilities as a member of the executive team.

We assess the competitiveness of our compensation program using local and national salary survey data. The survey data enables us to benchmark ourselves against similar companies by any one or more of the following criteria: region, industry or revenues. The survey data is used as a comparison when completing the annual merit increases for executives and salaried individuals. Our CEO makes executive salary recommendations based on the salary data and his evaluation of the respective merit, skills, experience and performance of each executive.

In the fourth quarter of 2007, we hired a compensation consultant, The Bostonian Group, to conduct an executive compensation study. The study provided market data on base salary, bonus payments, and equity awards, which will enable us to assess the competitiveness of existing executive compensation plans.

- (1) Discretionary cash bonuses were paid in 2007. The payments, which ranged from \$10,000 to \$25,000, were made in recognition of past accomplishments and were approved by the CEO. In 2006 Mr. Kelleher was paid a sales incentive bonus for the fourth quarter of 2005. Mr. Kelleher was not eligible for sales incentive bonus programs in 2006 or 2007 due to his participation in the BBU Plan (see below).
- (2) Mr. Kelleher's and Mr. Tuozzolo's option award amounts include options granted as compensation for their service on the Corporation's Board of Directors. Refer to Note 3, "Stock-Based Compensation", in the Notes to the Consolidated Financial Statements included in the Annual Report on Form 10-K for the year ended December 31, 2007, filed on March 19, 2008, for the relevant assumptions used to determine the valuation of our option awards.

- (3) Includes car allowance, gas allowance, supplemental health, dental and vision insurance, taxable portion of life insurance benefit and the Corporate 401(k) match. Dr. Vinciarelli's car allowance is \$10,800, while all other amounts are individually below the threshold for individual disclosure.
- (4) From 1997 to December 2007, Mr. Glazer held the position of Chief Financial Officer, Treasurer and Secretary. From December 2007 to April 2008, Mr. Nagel, in addition to serving as Vice President, Chief Accounting Officer, assumed the role as Interim Chief Financial Officer.

Base Salary

We establish salary compensation for our executive officers based on our operating performance relative to comparable peer companies. In setting base salaries for fiscal 2007, we reviewed national and local executive salary survey information of officers with comparable qualifications, experience and responsibilities at companies in our recommended peer group. Each year the merit increase data is presented to the Executive Compensation Committee and CEO for approval.

Bonus

We believe it is important to align our executive officers and key employees by promoting teamwork among them. At the beginning of fiscal 2006, we established the Brick Business Unit and Corporate Support Functions Incentive Compensation Plan (the "BBU Plan") which is designed to reward certain executives and key employees of the Brick Business Unit and corporate support functions for collaboration in achieving shorter-term financial goals. Messrs. Glazer, Henderson, Kelleher, Zengilowski and Nagel participate in the BBU Plan. Dr. Vinciarelli, our CEO, and Mr. Tuozzolo do not participate in the BBU Plan. The BBU Plan provides for the award of cash bonuses and stock options upon achievement of certain yearly corporate and individual goals. Under the terms of the BBU Plan for 2007 and 2006, the potential award payable to each executive officer and key employee included in the BBU Plan ranged from a maximum of 20% to 50% of base salary, to be paid only if the Corporation achieved a pre-determined minimum level of consolidated pre-tax income for fiscal 2007 and fiscal 2006, respectively. The BBU Plan calls for the award to be distributed 50% in cash and 50% in stock options, subject to approval by the Executive Compensation Committee. No awards under the BBU Plan for 2007 or 2006 were made, as the consolidated pre-tax income targets were not achieved.

During 2007, discretionary cash bonus payments were paid to certain corporate and business unit vice presidents. The payments, which ranged from \$10,000 to \$25,000, were made in recognition of past accomplishments and were approved by the CEO.

Stock Option and Equity Incentive Programs

We use stock option grants as the primary long-term incentive to reward executive officers and key employees and we believe it is a key retention tool. Also, due to the direct relationship between the value of an option and the market price of our common stock, granting stock options is considered an effective method of motivating the executive officers to manage the Corporation in a manner that is consistent with our interests and those of our stockholders.

The Executive Compensation Committee approves stock options grants to our executive officers and key employees based upon prior performance, such as through the BBU Plan. In addition, our CEO can, at his discretion, grant options to executive officers and key employees based on outstanding performance, the achievement of a specific goal or task, or as an added incentive to motivate employees. There is no set formula for the granting of discretionary option awards to individual executives or employees. All stock option grants are reviewed and approved by the Executive Compensation Committee prior to issuance. It is also our policy to grant options at an employee's time of hiring. Grants to newly hired employees are effective on the first business day of the month following employment, following the approval by the Executive Compensation Committee.

The exercise price of options for the purchase of the Corporation's common stock is generally set at the grant date's closing price of our common stock on NASDAQ Global Market ("NASDAQ"), however, it may be set higher than the grant date's price to provide for additional performance incentives. As discussed in the Directors' Compensation section, stock options are granted to all Directors, with the exception of Dr. Vinciarelli, on the date of our Annual Meeting of Stockholders, in accordance with the terms of our Amended and Restated 2000 Stock Option and Incentive Plan (the "2000 Plan").

During 2007, options for the purchase of V*I Chip Corporation ("V*I Chip") common stock were granted to certain employees of our V*I Chip subsidiary under the V*I Chip Corporation Amended 2007 Stock Option and Incentive Plan (the "2007 V*I Chip Plan"). All grants were reviewed and approved by the V*I Chip Board of Directors and the Executive Compensation Committee. There is no set formula for the granting of discretionary option awards to individual executives or employees of V*I Chip. These grants have a five year vesting schedule and ten year expiration. Grants to new hires are effective on the first business day of the month following employment. V*I Chip stock options are granted at a price not less than the fair value of V*I Chip at the date of grant, as determined by the V*I Chip Board of Directors and the Executive Compensation Committee.

During 2007, options for the purchase of Picor Corporation ("Picor") common stock were granted to certain employees of our Picor subsidiary under the Picor Corporation Amended 2001 Stock Option and Incentive Plan, as amended (the "2001 Picor Plan"). All grants were reviewed and approved by the Picor Board of Directors and the Executive Compensation Committee. There is no set formula for the granting of discretionary option awards to individual executives or employees of Picor. These grants have a five year vesting schedule and ten year expiration. Grants to new hires are effective on the first business day of the month following employment. Picor stock options are granted at a price not less than the fair value of Picor at the date of grant, as determined by the Picor Board of Directors and the Executive Compensation Committee.

All of our named executive officers, with the exception of our CEO, participated in our 401(k) plan and received matching funds. Our health and insurance plans are the same for all employees. In general, our employees pay approximately 30% of the health premium due. In addition to participating in the health plan offered to all employees, our executive officers also receive supplemental health, dental and vision care through reimbursement for amounts not covered under the respective plans.

We do not provide pension arrangements or post-retirement health coverage for our executives or employees. Our executive officers are eligible to participate in our 401(k) contributory defined contribution plan. In any plan year, we will contribute to each participant a matching contribution equal to 50% of the first 3% of the participant's compensation that has been contributed to the plan, up to a maximum matching contribution of \$3,375. All our executive officers, with the exception of the CEO, participated in our 401(k) plan during fiscal 2007 and received matching contributions.

Nonqualified Deferred Compensation

We do not provide any nonqualified defined contribution or other deferred compensation plans.

Other Post-Employment Payments

All of our employees, including our executive officers, are employees-at-will and as such do not have employment contracts with us. Stock options issued under the 2000 Plan, the 2001 Picor Plan and the 2007 V*I Chip Plan carry a change in control provision that automatically accelerates vesting and makes unvested options fully exercisable. As of December 31, 2007, the intrinsic value of unvested options held by our named executive officers was as follows:

<u>Named Executive Officer</u>	Number of Unvested Options as of December 31, 2007	Intrinsic Value of Unvested Options as of December 31, 2007 (\$)

Overview of Director Compensation and Procedures

We review the level of compensation of our non-employee Directors on an annual basis. To determine how appropriate the current level of compensation for our non-employee Directors is, we have historically obtained data from a number of different sources including:

- publicly available data describing director compensation in peer companies;
- survey data collected by our human resources department; and
- information obtained directly from other companies.

We compensate non-employee Directors through a combination of cash and equity-based compensation. Each non-employee Director receives a quarterly retainer of \$7,500 for his services per

quarter as a Director. We also reimburse expenses incurred by non-employee Directors to attend board and committee meetings.

Additionally, each employee Director, other than any Director which holds in excess of 10% of the total number of shares of the capital stock of the Corporation (i.e., Dr. Vinciarelli), and each non-employee Director receives an annual grant of non-qualified stock options upon election as a Director following the Annual Meeting of Stockholders under the 2000 Plan. Currently, the formula to calculate the stock option award is \$50,000 divided by the price of Vicor Common Stock at the close of market as reported on the NASDAQ on the day of the Annual Meeting of Stockholders. Accordingly, each non-employee Director and each employee Director, other than Dr. Vinciarelli, received non-qualified stock options to purchase up to 4,026 shares of Common Stock on June 20, 2007 at an exercise price of \$12.42 per share. Half of these options will become exercisable one year after the grant date while the remainder becomes exercisable after two years. These options expire three years from the grant date.

Directors who are also our employees do not receive cash compensation for service on the board in addition to compensation payable for their service as our employees.

Compensation Committee Report

Based on the reviews and discussions referred to above, the Executive Compensation Committee recommended to the board that the CD&A be included in the proxy statement for the year ended December 31, 2007 for filing with the Securities and Exchange Commission.

Report of the Audit Committee of the Board of Directors

The Audit Committee oversees the Corporation’s financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the Annual Report with management including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm, who is responsible for expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles, including a discussion of the quality, not just the acceptability, of the Corporation's accounting principles and such other matters as are required to be discussed with the Audit Committee in accordance with standards established by the Public Company Accounting Oversight Board ("PCAOB") and generally accepted auditing standards. In particular, the Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed with them under the provision of Statement on Auditing Standards No. 61 (*Codification of Statements on Auditing Standards*), as modified or supplemented. In addition, the Audit Committee has received the written disclosures and the letter from the independent registered public accounting firm required by PCAOB Rule 3600T, which adopted on an interim basis Independence Standards Board Standard No. 1 (*Independence Discussions with Audit Committees*), and has discussed with the independent registered public accounting firm the auditors' independence from management and the Corporation and considered the compatibility of nonaudit services with the auditors' independence.

The Audit Committee discussed with the independent registered public accounting firm the overall scope and plans for their audit. The Audit Committee meets with the independent registered public accounting firm, with and without management present, to discuss the results of their examination, their evaluation of the Corporation's internal controls over financial reporting, and the overall quality of the Corporation's financial reporting. The Audit Committee held six meetings during fiscal 2007.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board approved) that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2007 for filing with the SEC.

Certain Relationships and Related Transactions

In August 2003, the Corporation purchased a number of shares of non-voting preferred stock of Great Wall Semiconductor Corporation ("GWS") representing an approximately 5% equity interest in GWS for \$1,000,000. In March and August 2004, the Corporation purchased additional shares of non-voting preferred stock of GWS representing an additional approximately 13% equity interest in GWS for \$2,000,000. In May 2007 and February 2008, the Corporation purchased additional shares of non-voting preferred stock representing an additional approximately 12% equity interest in GWS for \$2,000,000. The Corporation's total investment in GWS was \$5,000,000 as of March 31, 2008. The additional investment made in May 2007 resulted in the Corporation owning approximately 24% of GWS which management believes, along with other qualitative factors considered, gives the

Corporation significant influence over GWS. In addition, the Corporation has an option to purchase an additional 1.5% equity interest of GWS for \$81,000 in connection with technical consulting services. As a result, the additional investment required the Corporation to account for the investment in GWS under the equity method of accounting and to retroactively restate its previously issued consolidated financial statements for the fiscal years 2006 and prior. Previously, the Corporation accounted for the investment as a cost method investment as management believed it did not have significant influence over GWS.

The Corporation periodically evaluates the investment in GWS to determine if there are any events or circumstances that are likely to have a significant adverse effect on the fair value of the investment. In the second quarter of 2007, the investment was adjusted for a decline in value judged to be other than temporary of \$620,000. This, along with other adjustments made due to equity method accounting, resulted in a net investment balance of \$687,000 at December 31, 2007.

Mr. Anderson, a director of the Corporation, is the founder, President, Chairman of the Board, Chief Executive Officer and the majority voting shareholder of GWS. In addition to the investment, the Corporation and GWS have entered into a cross-license agreement and the Corporation purchases certain components from GWS. These purchases were approximately \$1,260,000 in 2007.

The Corporation's policies and procedures with respect to the review, approval and/or ratification of related party transactions are as follows per the Corporation's Audit Committee Charter. The Audit Committee shall review and approve all related party transactions required to be disclosed pursuant to SEC Regulation S-K, Item 404, and discuss with management the business rationale for the transactions and whether appropriate disclosures have been made. The related party transactions described above were subject to this policy.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Corporation's executive officers and Directors, and persons who own more than 10% of a registered class of the Corporation's equity securities (collectively, "Insiders"), to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC") and NASDAQ. Insiders are required by SEC regulation to furnish the Corporation with copies of all Section 16(a) forms they file. To the Corporation's knowledge, based solely on a review of copies of such reports and written representations that no other reports were required during the fiscal year ended December 31, 2007, all transactions in the Corporation's securities that were engaged in by Insiders, and therefore required to be disclosed pursuant to Section 16(a) of the Exchange Act, were timely reported.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Corporation has selected Ernst & Young LLP as the independent registered public accounting firm for the Corporation for the fiscal year ending December 31, 2008. A representative of Ernst & Young LLP is expected to be present at the Annual Meeting and will be given the opportunity to make a statement. The representative is expected to be available to respond to appropriate questions.

Audit-Related Fees include services provided in connection with audits of the Corporation's employee benefit plan.

Tax Fees include services provided in connection with tax compliance, tax advice, tax planning and assistance with tax audits.

Pursuant to the Audit Committee charter, the Audit Committee must pre-approve all auditing services and the terms thereof and non-audit services (other than non-audit services prohibited under Section 10A(g) of the Exchange Act or the applicable rules of the SEC or the Public Company Accounting Oversight Board) to be provided to the Corporation by the independent registered public accounting firm; provided, however, the pre-approval requirement is waived with respect to the provision of non-audit services for the Corporation if the "de minimus" provisions of Section 10A(i)(1)(B) of the Exchange Act are satisfied. Under the charter, the authority to pre-approve non-audit services may be delegated to one or more members of the Audit Committee, who shall present all decisions to pre-approve an activity to the full Audit Committee at its first meeting following such decision. The Audit Committee approved all audit and non-audit services provided to the Corporation by Ernst & Young LLP during the 2007 fiscal year.
